Erasmus semester at TU Narva College

Spring semester 2021

Courses in English Language

**P2NC.00.002 Practical Stylistics in English (3 ECTS)**

The course analyzes structures of different texts, their idea and connections between the text and its context (theme, cohesion etc.) from the point of view of functional linguistics. The course gives an overview of the theoretical base of linguistic approach to style.

**SVNC.00.106 Basics of Academic Writing (3 ECTS)**

The course will provide an overview of the structure and composition of various educational research texts. It will train to search for specialized literature; define and structure material; provide references and use professional terms correctly.

**SVNC.00.120 English for Advanced Learners, Level C1 (6 ECTS)**

The course develops English language grammar, vocabulary, listening, reading, speaking and writing skills with the aim of reaching the C1 level.

**SVNC.00.122 English Morphology and Syntax (6 ECTS)**

The course provides a deeper understanding of speech components: their classification, grammatical forms, and roles in the sentence. The course teaches students grammar rules and linguistic concepts such as sentence types and structures.

**SVNC.00.125 Oral and Written Translation into and from English (6 ECTS)**

The course looks at translation methods depending on the type of text and its purpose. It also introduces the latest trends in translation theory. The course teaches practical written and oral English translation into one's mother tongue and from the mother tongue into English. The texts are provided from various journalistic publications and dramatic prose.

**SVNC.00.127 Contemporary English and American Literature and Cinematography (6 ECTS)**

The course provides an overview of contemporary English and American literature and its film adaptations (the subject also includes minority literature and its impact).

Courses in Russian Language

**P2NC.00.871 Russian Culture in a Context of the Intercultural Communication (3 ECTS)**

The course focuses on the Russian culture in the context of intercultural communication (Russian communicative behavior, Russians in intercultural contacts, etc.). A specific part is devoted to the Russian-Estonian intercultural dialogue.
